For indoor use only  
10-12 week lead time  
Bulbs included

**Cost**

List and trade pricing are available upon request

**Lamping**

(5) 4.5w G9 LED bulbs  
UL listed components  
Dimmable  
1,700 lumens total, 2700k

**Swell** is a combination of the Hilbers and the McTavish mobile chandeliers. **Swell** can expand to any number of configurations and quantities and is offered under the umbrella of the Pisces Collection.

For this collection, Andrea Claire, an avid surfer, was inspired by the shapes of waving kelp forests just below the surface of the ocean. The studio developed an intricate system of CNC cut tools to hand cast two unique shapes in 1/8" fiberglass and resin. All metal components are specifically designed for this collection and milled from solid brass.

In addition to the undulating fiberglass "U" shape, these fixtures have 1" diameter curving brass legs, dimmable LED bulbs with hand made white glass diffusers, a turned brass pods, and a fiberglass leaf shapes. Each hangs from two stems and an 8" brass canopies. Stem lengths are customizable.

Brass comes in four finish options: Brushed Brass, Unlacquered Brass (note that unlacquered brass will change, naturally, over time), Antique Silver, and Tamarind Patina.
